

Hello everyone,

Happy Easter time and welcome to the first of the new format Messenger.

The deacons want to improve the way we share news and prayer requests. The Messenger will be slimmed down, produced monthly and will be on the chapel website, can be emailed, and printed copies will also be available in the Chapel itself. This will allow us to be more reactive and merge the prayer requests and the service details as well.

Just the same as the previous format, we want your news, views and stories! Let us know what interests you and what you want to share with others.

Easter is here

Here's a quick update on what's happening at The Union Chapel Weston Turville during Easter.

- **6th Communion.**
- **13th Palm Sunday** followed by Passover Lunch.
- **Good Friday:** 10:30 am for a time of reflection
- **Easter Day Service:** A celebration of new life at 10.30 AM.

Prayer Requests & Prayer Circle

We have already had some prayer requests for people outside of the chapel congregation. If you have prayer requests, please pass them to any of the deacons.

Each month the members of the Chapel and some others will appear on the prayer diary, but anyone can request immediate prayer for specific people or situations. If you know someone in illness or trouble it is an opportunity to offer concerted prayer for them in a non-threatening way. It is amazing that people outside the church expect us to pray and how much they feel supported when we offer to pray for them.

Dates for your Diary

11th May – Church AGM after church. Everyone is welcome to come and hear and contribute to decisions in the church. Everyone can take part but only church members can vote. Please come if you can.

24th May – Plant sale

13th July – Church Anniversary
