Church BBQ 2026

Thanks to Jayne and Jerry for lending us their garden again this year, and Jerry's sterling work on the BBQ.

We had the 4th 'Bard of Aylesbury' with us, and she wrote a poem on the right just for the occasion.

Weston Turville Union Chapel

A church erected in 1839 by a farmer, by the name of Munger,
Twelve good men and true were trusted with it's care,
The chairman of course, was given to his brother.
A Butlers Cross resident, who also farmed there.

In 1840 deeds were formed to officiate this occasion.
Aylesbury's Court of Chancery held and made these,
Then 16 years later 14 members formed a church with love and compassion
Making each other welcome, and doing their very best to please

Today you all mark this wonderful event,
By embodying all the honourable things these good people started.
Sharing joy all year, from Easter through till December and Advent
Love, Peace, Friendship and compassion all characters of the big hearted.

I am honoured to be invited here today,
And I hope you all have a lovely time,
I've only one more line to say, before we all breakaway
Thank you for listening to my rhyme.

The team finally get to eat their meal too!
